## UNIFORM SHOP NEWS

MAY 2010

### Under New Management!

After 7 years of excellent management by Joanie Gross, she will be retiring from the uniform shop at the end of this school year. Joanie will be greatly missed and we can only pray to run the shop as efficiently and well! As your new co-managers we understand it will take a lot of effort and people-hours to provide this wonderful service and fundraiser to our school. Please consider volunteering to help out – it is a great way to meet many of our parents and students. Thank you!

### UNIFORM UPDATES FOR 10-11 SCHOOL YEAR:

There are no required uniform changes for the 10-11 school year, but beginning the following year:

- IHM sweatshirts will no longer be permitted to be worn inside during school hours, except for during PE.
- The summer uniform shirt option for middle school boys (grades 6-8) will be a navy short sleeve polo shirt. Middle school boys may choose to make this switch stating the 10-11 school year if they want.

If you are a returning family – please always review the uniform code for the upcoming year to be sure you have caught up with changes that have taken place in prior years. (Especially check sock & shirt requirements.)

**PAYMENT OPTIONS:**

*Only cash and checks are accepted at the uniform shop. Checks are preferred.*

**USED UNIFORMS:**

Used uniforms can be sent in at any time during the summer or school year to the front office or brought to the middle school (Room 6-1) on any of the days listed above when the shop is open.

**If you are consigning items, please follow the following steps:**

1. All items should be clean and show little or no wear. Items that are torn, dingy or stained will be discarded or donated to charity.
2. Please mark your items in the following way:

YOUR LAST NAME ITEM (jumper, skort, etc)  SIZE  \$ YOUR ASKING PRICE \$
--

If you have a common last name, use your first name, too

A suggested pricing list for used items can be found on the school website under "Home and School"

3. Use a SAFETY PIN ONLY to pin the tag to the item. No straight pins or tape.
4. Jumpers, skorts, peter pan blouses, oxfords must be hung on hangers. All other items should be folded flat.
5. You will receive 70% of the sale price for consigned items. (Checks will be sent out in September.)

***WE GRATEFULLY ACCEPT DONATED ITEMS TO BE SOLD.***

**FLEECE:**

Fleece order forms will come home in Thursday folders after school starts. Used fleece will be sold in the shop over the summer.

**UNIFORM PRICING:**

We work VERY hard at keeping uniform prices as low as possible for our families while still maintaining a high quality garment. Remember that we typically have a good selection of used uniform items for very reasonable prices as well. If you need financial assistance purchasing your uniforms, please see Lisa Rhodes in the front office to make arrangements.

**SHOP HOURS FOR NEXT SCHOOL YEAR:**

The Uniform Shop will be open Thursday mornings 8:00 until finished next year. An order form is available on-line. If you know your sizes, you can send the form and payment to the front office marked "Uniform Shop" and we will fill the order and send to your child's home room.

**REMEMBER:**

The uniform shop is run completely by parent volunteers and all proceeds go toward activities sponsored by your Home & School Association.

Due to major HVAC renovations occurring in the school this summer, the uniform shop sales will be held in classroom 6-1. Storage will be limited, so our inventory levels will be lower than a typical summer. Please shop early so that we have adequate time to order any uniform items you may need and get them to you in time for school. We thank you in advance for your patience as we work to continue to provide this service to our families while allowing these important improvements to take place. Thank you.
